

Dear Members,

Welcome to Summer, Pool is open!

POOL HOURS 12-8 Pool Service hours 12-7 Tuesday thru Saturday 12-6 Sunday

Have fun but follow the Rules for everyone's Safety & Enjoyment. Bottled Water will be available in a cooler in the Pool House all summer. There is no outside alcohol allowed onto the property, if you choose to bring your own alcohol you will be asked to leave the property, It's the Law. We are not willing to risk fines, suspension, or loss of our liquor license by allowing consumption of outside alcohol. We thank you for your understanding in this matter.

General Safety Rules for the pool are posted in several locations around the pool RULE #1 Everybody enjoy themselves, but please respect your fellow members that would also like to enjoy the facility. We want all the kids to have fun, but we would ask parents to keep excessive yelling, and horse play to a minimum. There is no outside food or drink allowed in the pool area. The exception to this is Mondays as there is no food service, members may bring snacks to the pool area but no alcohol, the lounge will be Open on Mondays Starting June 13th. Monday the pool and lounge close at 7pm sharp. The pool will be locked after 7pm as there is no staff on duty if there is an emergency. This policy may change as the kitchen may open this summer on Mondays, we will keep you updated.

There is a maximum of two guests allowed per member and all members and guests must sign in at the Pro Shop upon arrival to the pool. An Adult member must be present for a guest to use the facility and all guests must be signed in at the pro shop. Guest policies may change depending on attendance and pool capacity. The prime member(s) must be present and at the pool to always supervise their guests. When you leave your guests must leave with you. If you are not an Executive Class or Pool/ Dining member you do not have pool privileges as written in your membership contract. If you would like to discuss upgrading your membership, please call the office.

Due to there being no lifeguard we have been somewhat flexible to allow Members children to have a responsible supervising adult when a parent is unavailable. We have allowed this for the safety of the child(ren) as this is always our first concern. This however does not mean that that caretaker adult can sign in their own guests; they are there specifically there to watch over the members child(ren) only. Members are responsible for the Safety and actions of themselves and their guests. If a member or guest is asked to refrain from an action that endangers or makes other members and guests unsafe and/or uncomfortable and refuses, they will be asked to leave by staff. If this occurs a second time the club may at its sole discretion, choose to

remove the member(s) from the premises and disallow entry back onto the property with no refund of dues owing. There is no Lifeguard on duty Please be careful and keep a watchful eye on your children and guests. You are responsible for their safety. There is life saving gear on the pool house wall and a 911 phone in pool house. If you encounter a dangerous situation, please notify a staff member so we can address the concern. That being said, we want everybody to utilize and enjoy the pool. If you have questions or concerns, please do not hesitate to ask a staff member. We are looking forward to a great summer.

Thank You,

Jon Syrocki
